Welcome to Marienbad Restaurant & Chaucer's Pub

The building, dating back to 1854, was the original home of Josiah Blackburn's "London Free Press". It served as the Queen's Hotel from 1871 to 1920 and became the home of the "Farmer's Advocate" from 1921 to 1965.

With the intention of bringing "A Taste of Europe" and its warm hospitality to London the Marienbad opened on March 8, 1974. The restaurant took its name after the famous Czech spa Mariánské Lázně - Marienbad. Founded by queen Maria Theresa, Marienbad is located in the Western part of the Czech republic near the borders of Germany and Austria. A monument near Marienbad celebrates the fact that this place is the geographical centre of Europe. The Marienbad menu reflects the mixture of history and culture that is Central Europe. The spa itself is characteristic of the art nouveau style and was frequented by the likes of Britain's King Edward VII., Goethe, Chopin and Mark Twain. The focal point of the Atrium is a mural of Carlsbad - Karlovy Vary, a spa town not far from Marienbad. Carlsbad was established in 1348 by King Charles IV.

MARIENBAD is proud to offer a selection of fine banquet facilities available for lunch and dinner parties, receptions, business meetings and weddings. Our selection of private rooms include the old world charm of our Nest.Cafe (Fireplace Room) that can seat up to 80 persons, the Prague Room seating up to 38 persons or the cheerful ambiance of the Atrium that seats up to 32.

MURDER MYSTERY evenings... Our Nest.Cafe (Fireplace Room) is the perfect setting for a fun evening of suspense & intrigue. Reservations and advanced purchase of the tickets are required for this popular monthly event. Our staff would be pleased to assist you with further information and availability or about booking private performances.
